Certificate

I hereby certify that **Prof. Sergii Khmyzov** from Charkiw (Ukraine),  
born August 1<sup>st</sup> 1959, has successfully completed a **Fellowship as Visiting  
Scholar** at the University Center of Orthopaedics, Trauma and Plastic Surgery,  
University Hospital "Carl Gustav Carus" in Dresden from October 21<sup>st</sup> to  
November 1<sup>st</sup> 2024.

During his stay at our hospital, Prof. Khmyzov took part in all activities of our  
department including morning and afternoon rounds, meetings, discussions and  
above all trauma and orthopaedic surgery. He especially attended surgical  
procedures in Pediatric Orthopaedics, primary and revision hip arthroplasty and  
trauma care during his fellowship.

From a personal aspect, Prof. Khmyzov was always friendly and well mannered  
towards staff and patients. He took much interest in the clinical problems  
presented and it was a genuine pleasure interacting with him. I wish him much  
success during his career.

Sincerely
